

REMARKS

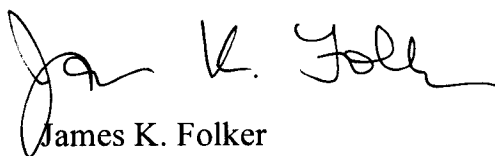

Applicants have amended the Title of the Invention. Applicants respectfully request entry and approval of the above-noted new Title. The Title has been amended to better coincide with the allowed claims, and to therefore place the Application in better form for issuance. Thus, the new Title does not introduce new matter, nor does it affect the scope of the claims. Therefore, entry of the new Title is permissible under 37 C.F.R. §1.312. Accordingly, approval and entry of the new Title is respectfully requested.

Should the Examiner be of the opinion that further clarification is necessary, or that outstanding issues exist, the Examiner is invited to contact the undersigned attorney

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
